

An Update from us on COVID-19

After much back-and-forth, we have decided to follow the CDC guidelines and close the office after this week. We will be here Wednesday, March 25 and Saturday, March 28 so we can provide services to the people already scheduled.

Please call 561-366-7219 - we will be checking messages frequently to continue to provide the services you need.

If you are experiencing a hearing aid emergency, please call or text 561-461-9842 for more immediate assistance.

Please do not hesitate to reach out to us for assistance.

As circumstances change, we will change. We want everyone to be safe so we can get back to normal as soon as possible.

Please stay well and we will see you soon!

Sincerely,

Debby Shadoff
