

Audiology with a Heart July Newsletter

July News

As we all continue to learn to live our lives in the presence of COVID-19, we here at Audiology with a Heart continue to try to keep the office as safe as possible. We have many types of masks to use and we clean between appointments. We are still staggering appointments as much as we can.

Our hours are still somewhat fluid, although we plan on being in the office Tuesdays - Saturdays. We ask that you make sure to call for an appointment as we are not taking walk-ins at this time and as we enter summer in the time of a pandemic, we may not be in the office even during stated office hours.

Please call 561-366-7219 to make an appointment.

You can text 561-461-9842.

Please check out our Facebook page: we post changes to the schedule on Facebook, especially as we enter hurricane season, Facebook is often the best source of current information regarding the office. Click on the Facebook icon to be brought to our page.

A graphic with a blue and red background. On the left, a blue shield contains the text 'STAY SAFE! VOTE BY MAIL' and a circular 'VOTE' logo. Below the shield is the LWV logo and 'LEAGUE OF WOMEN VOTERS OF PALM BEACH COUNTY'. On the right, two white boxes contain text about requesting a vote-by-mail ballot and the deadline for the August 18 primary and November 3 general election.

Voting with COVID-19

As we have all seen recently in states that have had election primaries, all states anticipate higher than average voting participation along with the real possibility of voting locations being eliminated due to a lack of poll workers.

Please consider registering to vote by mail. You will receive your ballot in plenty of time to research the candidates and the issues on the ballot. Postage is paid so you don't have to worry about stamps and if you choose to vote on election day, you can do so as long as you have not sent in your ballot already.
